Jebb's Celebrated Telegraph Churn !

Remarket, March 19, 1861.

THE undersigned having purchased the right for this County, to manufacture the above Churn, are now prepared to 3033rd FFF With which they may be favored. This Chura specially commends itself to DAIRYMEN and FARMERS, As it will make more batter and of better quality

from any given quantity of Cream, than any description of Chara now in use,—and in much less time. The Patent took a PRIZE MEDAL at the Annual State Meeting of Dairymen of New York as the best and most devable ever brought before their notice, and the Chara is now in general use in the United States as well as in the various Counties in Canada in which it has been introduced.

The Chara may be seen at a few of the princip.
